

The **Esquire** fabric awning by **QUEEN CITY** creates the ideal finishing touch to your home or business. The "dome" shape of the **Esquire** creates an elegant entryway and provides protection from sun, rain and snow for doors and windows. Fabric Awnings have a natural inviting warmth which few other building materials can achieve. Adding signage and/or lighting to the **Esquire** awning can uniquely identify your building and set it apart from others. **Proline Fabric Awnings** are custom made to conform to most any building and feature rigid welded structural metal frames with architectural fabrics specifically designed for exterior use.
