## SPECIAL FEATURES

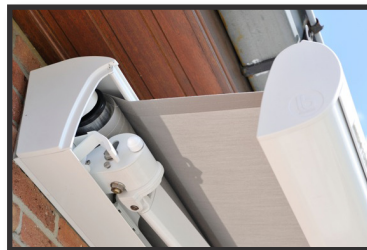

### MOTORIZED DROP SHADE ◀

Add even more solar protection while increasing your privacy with a Drop Shade. This option features an open mesh, sun screen fabric that extends down 38" from the front bar over the width of the awning. The Drop Shade is self storing and completely hidden when not in use. This option is available on 10'0" and 11'6" projections with a maximum width of 19'0".

### ▶ COMPACT UNIT DESIGN

The Prestige is designed to fit into small places and is less obtrusive than other systems, blending harmoniously into the structure.

### IDEAL FOR ROOF MOUNTING ◀

The fully enclosed design of this shading system provides the longevity of protection against the constant exposure to the elements. The Prestige Cassette has an optional powder coated matching back panel which aids in protecting the fabric, arms and motor from the elements. Your fabric will stay new looking for an extended period and will last longer as well.
