

The **Pavilion** fabric canopy by **Queen City** creates an all-weather protected environment outdoors. The **Pavilion Canopy** provides protection from sun, rain and snow and is an ideal way to create outdoor break areas for employees and users of facilities that have "no smoking" policies. Optional sidewalls can act as windbreaks for the **Guardian Canopy**. Fabric Awnings have a natural inviting warmth which few other building materials can achieve. **Proline Fabric Awnings** are custom made to conform to most any building and feature rigid welded structural metal frames with architectural fabrics specifically designed for exterior use.
