INSTALLATION**

**RELAX... UNDER A
QUEEN CITY AWNING!**

Why Choose a Queen City Awning?

S-Series Retractable Awnings include:

- 100% woven, acrylic fabric with scalloped valance.
- Powder-coated frame with stainless steel hardware.
- Protective hood.
- Spring-loaded arms with dual, PVC-coated, steel cables.
- Concealed, tubular motor that extends and retracts awning.
- Power cord that plugs into standard outlet.
- Handheld remote control switch.
- 3 year manufacturer's motor warranty
- 5 year manufacturer's frame warranty
- 1 year labor warranty.

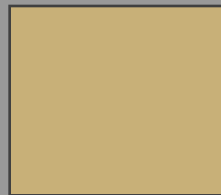

Benefits of a Retractable Awning

- **Expands Living Space** Use your patio or deck more in the shade!
- **Provides Instant Shade** Up to 20° cooler on your deck or patio.
- **Saves on Energy** Reduces cooling costs by shading windows and doors.
- **Provides Sun and UV Protection** Reduces burns and skin cancer risk.
- **Adds Value and Comfort to Your Home** With quality materials and a maintenance-free, easy to use, motorized system.
- **Professionally Installed** Factory-trained installers with the experience to do it right!
